

Bungy Jump | Duration: 1 Day Days | Cost: \$102

Bungy Jump is one of the famous sports in Nepal. Nepal's first bungy jumping site is situated 160m over the wild Bhotekosi River, and located close to the Nepal-Tibet border, a three-hour bus ride from Kathmandu. Imagine a bridge over a 160m high tropical gorge, with one of Nepal's wildest rivers, raging below... Now jump! This will be a day trip. If your partner do not want to jump but go and see that is also possible. This jump is also possible to combine with Canyon Swing, Canyoning, High Rope, tandem Swing & white water rafting on Bhotekosi River. Another, Bungy Jump can be done in pokhara which is even easier to combine with trek of Annapurna region or just a relaxing tour of Pokhara. This jump is from tower, not from the bridge. The jump site offers an amazing view of the Himalayas, the hills and the rivers that will take your breath away. Note: On-Demand experience
